

Director of Guidance - Waubonsie Valley High School

A highly competitive and innovative high school, Waubonsie Valley is recognized as an academic leader supporting outstanding athletic and activity programs. Since it's opening in 1975, Waubonsie Valley has been designated as a Grammy Signature Gold School and keeps multiple State trophies and one State championship. The District serves over 29,000 students and is the third largest in the State.

The Director of Guidance will perform functions of instructional leadership. Leadership involves modeling professional expertise to help colleagues grow; manages the department to keep the department orderly and functioning smoothly. This is a full-time position. There are 20 extended contract days with this position.

The qualified candidate will have a valid Illinois school service personnel (type 73) teaching certificate with an endorsement in school counseling and an administrative (type 75) certificate.

Salary is commensurate with education and experience.
