Suicide Prevention in the Schools

Suicide prevention is a top priority of the Illinois School Counselor Association. Suicides among young people continues to be a serious problem. Each year in the U.S., thousands of teenagers commit suicide. Suicide is the third leading cause of death for 15-to-24-year-olds, and the sixth leading cause of death for 5-to-14-year-olds.

During National School Counseling Week on Friday, February 5, 2010, ISCA will be hosting a special presentation on:
SUICIDE PREVENTION IN THE SCHOOLS.

When: Friday, Feb. 5, 2010

Where: Lisle Hilton
3003 Corporate West Drive
Lisle, IL 60532

Who: Dr. David Capuzzi, author of:

- Suicide Prevention in the Schools: Guidelines for Middle and High School Settings (2009)*;
- Youth at Risk: A Resource for Counselors, Teachers, and Parents (2008)*;
- Suicide across the Life Span (2004)*,
- and many more books.*

Dr. Capuzzi is a past-president of the American Counseling Association. A frequent keynoter and workshop presenter at professional conferences and institutes, Dr. Capuzzi has also consulted with a variety of school districts and community agencies interested in initiating prevention and intervention strategies for adolescents at risk for suicide. He has facilitated the development of suicide prevention, crisis management, and postvention programs in communities throughout the United States; provides training on the topics of youth at risk, grief and loss, group work and other topics.

What: This event starts Thursday night from 6 P.M. - 8 P.M. for graduate students only. An evening with Dr. Capuzzi on suicide prevention in schools. ISCA graduate student members can register for FREE. The fee for non-member students is \$25. It will be at National-Louis University in Lisle. This event is for graduate students only.

Then join us Friday from 8:30 A.M.-3:30 P.M. for a 6 hour workshop. ISCA members can attend for a fee of \$30 which includes lunch and 6 CPDUs/CEUs. This will be at the Lisle Hilton.

Suicide Prevention in the Schools

This topic addresses the significant concerns of suicide and suicide prevention in school settings and provides information needed by school counselors, crisis team members, teachers, administrators, and staff to effectively assist those at risk for attempting suicide. It includes information on myths connected with suicide, risk and protective factors for suicide; the signs and symptoms connected with the potentially suicidal youth, suicide assessment, guidelines for prevention, crisis management and postvention in schools, and ethical and legal issues surrounding suicide. Emphasis is placed on needed counseling techniques with children, adolescents, and survivors and their families.
